

Shinewater Primary School

"Together We Shine!" Number 6

"Together We Shine" Video-Coming Soon!

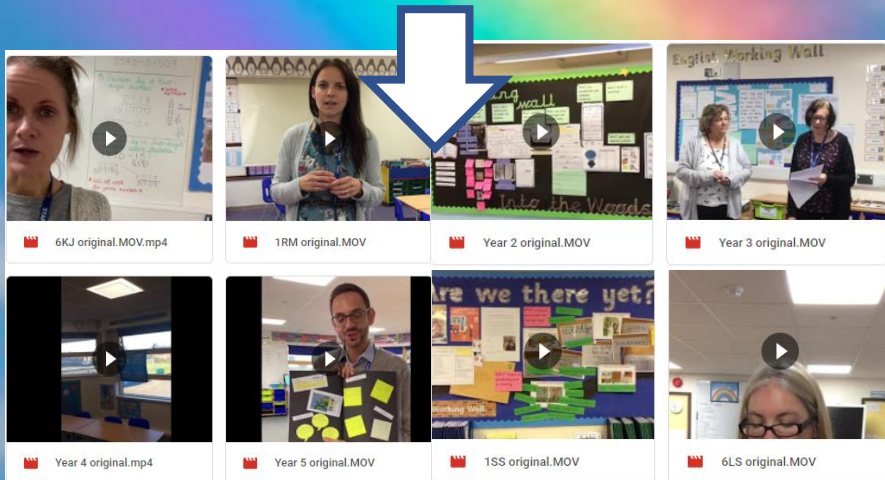

Thank you for all of your support through this very busy and different term. It is this teamwork approach that has helped us to fully support the children and to accelerate our curriculum after lockdown. The children have been working hard and are rightly delighted with their outcomes. Thank you too for all of the amazing homework that has been coming into school. The teachers are now raring to go with the new learning adventures. Please keep encouraging reading over half term.

On Monday the co-headteachers met as part of the governing body this to agree amongst other things our School Development Plan for the school 2020/21. The key focus this year is help children to catch up with reading, writing and maths post lockdown, ensure that attendance is in line with national, support with mental health and to ensure our curriculum continues to be rich and engaging. So that you can get to know our school governors they will be contributing to newsletters in the future.

To help you know what is happening at Shinewater we have just finished making a video about our amazing school. It will be on the websites soon-watch this space. Please share this with the community and help us to promote our fantastic school.

Class Teacher Communication Videos

Parent and carer consultation phone calls have gone well this half term. They will be continuing next half term. The teachers have also made these videos for you to keep you up to date. They contain information regarding learning that has taken place this term and learning that is coming up next term. The videos also show you the learning environment and what you can do to help your child at home.

PE Term 2

Next term the children will be learning gymnastic skills relevant to their year group. Ollie from Premier Sport will be continuing with his most excellent teaching in the main hall.

As part of health and safety guidelines PLEASE ensure you child has their PE kit in school at the beginning of term.

the food will be delivered to them in special food boxes.

The Shinewater and North Langney Partnership

facebook

<https://www.facebook.com/groups/152041652881256/?ref=share>

Our vision:

“Our Partnership exists to enable individuals and groups to work in collaboration to improve the opportunities and resources for the Shinewater/North Langney community. We strive to tackle existing inequalities and to encourage healthy, active and fulfilling lives and to promote positive messages for the area.”

Dear parent(s)/ guardians,

The Shinewater and North Langney Partnership was formed to improve the links between all those groups who make up the local community so that information is shared and ultimately local people are more easily able to access help and to contribute ideas on improvements for the area. Currently the main organisations cover local schools, health provision, community and sports organisations, police and community safety, Council, youth, local churches and voluntary groups.

Shinewater Primary School has been an important part of the Partnership group and we would like to build on this and involve parents and families in sharing ideas, great or small, to be able to develop the way the community helps and supports everyone in an inclusive way.

The partnership includes community police officers and is promoting the importance of community safety and dealing with anti-social behaviour. Gary Crowhurst, YMCA Youth Officer for Eastbourne leads on plans to develop youth provision for the area. The Lighthouse Medical Centre, Healthwatch and HoldingSpaces Mental Health charity are all represented. For mental health help and advice contact: Hansa@holdingspace.org.uk; Eastbourne Voluntary Association (3VA) which links into many local charities and helplines is represented by Nic Bryson. 3VA have accessed funding from the Co-op project to fund activities for the area. We would welcome your ideas for local projects, for example more of The Forest School activity. The Partnership is developing an Oasis Project for a multi-use building in Shinewater Park to enable more groups such as schools to make greater use of the park. We would welcome your ideas.

The Partnership promotes digital inclusion and has been working with a local charity to help families who do not have computers and internet access. We would like to develop support for those elderly and families who currently may be excluded from the on-line engagement. This is particularly important during restrictions during higher levels of lockdown.

The Partnership is linked to Eastbourne ECO Carbon Neutral 2030 and supports local initiatives such as Plastic Eastbourne activities. We welcome your ideas. We have representation from Eastbourne Homes and are looking at a possible food growing local project.

We want to develop the way information about local events and projects are accessed. We have set up a Shinewater and North Langney Events page on Facebook and would like parents to indicate if they are happy to join the site. We would welcome more involvement from local residents. If you have ideas for improvement on any aspect of the area, or are interested in joining the Partnership group please get in touch.

councillor.shuttleworth@eastbourne.gov.uk

Best wishes

Cllr Alan Shuttleworth

Chair, Shinewater and North Langney Partnership

Shinewater Primary School is an active partner of this group. Please join the Facebook page for local information. This will also include our promotional video when it is complete. Cllr Shuttleworth is a big supporter of our school.

What's Going On?

Langney Shopping Centre Art Competition

The best thing that happened to me in 2020

Langney Shopping Centre are running an art competition for local primary school children. We would like you to draw, colour or paint a picture about the BEST thing that happened to you in 2020.

A few ideas...

- Learning a new skill
- Spending more time with family
- Visiting somewhere new
- Getting a new pet
- Returning to school

Use your own experience and let your imagination run wild!

Competition Guidelines

- You must be age 6 to 11 (or in year 1 to 6)
- Use pencils, pens or paint on an A4 size piece of paper
- Label your picture clearly with the artist's name, age, school and an adult's contact phone number
- Deadline for entries is Monday 9th November

Drop off your picture...

All entries should be dropped off at In Perspective, the arts and crafts shop on the new side of the shopping centre.

Prize winners will be announced by Monday 16th November.

Entries will then be on display in the Langney Shopping Centre for everyone to see.

Sessions are running on:
Tuesday 27 October 11-12.30 or 2.30-4pm
Thursday 29th October 11-12.30
Saturday 31st October 11-12.30
(with some spaces still left on each day!)

Time 4pm - 5pm
Ages 7 to 11 years old
Contact foundation@sussexcricket.co.uk

A Message from the Towner Gallery

Over the half term we have a series of sound-making workshops for families with an artist called Rita Evans, called 'Theatre of Sound'. The workshops are for bubbles of up to 6 people and are covid secure as groups will work each from their own making area. Each bubble will be given an array of household materials to play with and offered creative challenges. Rita will use video projections and work with the groups to fill the studio with sound. Rita's work is also on show as part of the Towner International exhibition which is free and open to all.
