## Shinewater's Young Entrepreneurs Meet the Mayor & SHINE!

Pupils from Year 4 represented Shinewater at the 'Enterprise Challenge' held at the Town Hall. Our young entrepreneurs were tasked with coming up with a Christmas mascot which would represent Eastbourne, design a shopping bag and work out the cost of a Christmas food hamper. They were very excited to meet the Mayor of Eastbourne and really enjoyed the day working as a design team.

CHALLENGE

## LOST PROPERTY

We are having a significant problem with lost property in school due to belongings not being labelled. PLEASE label you child's clothing, in particular sweatshirts. We have an ever growing pile that is taking up a great deal of time for staff. Returning non labelled clothing to children is just about impossible and is costly to you as parents. On Monday and Tuesday, during gate opening hours, there will be tables in the playground displaying lost property and spare uniform. Please help yourselves. Thank you for helping us with this matter

## Information Noticeboard

### Uniform

Please ensure your child is in the correct uniform. Black jeans and leggings are not part of our uniform policy. If your child feels the cold please ensure they have a thermal vest and/or t-shirt UNDER their clothing. School sweatshirts should be worn as their outer layer.

### Bags

Children SHOULD NOT bring large bags with very little in them to school.

This is a health and safety issue for everyone as we do not have enough cloakroom space and the bags fall to the ground causing trip hazards. Drawstring PE bags are great because they hang below pegs. Please support us with this.

### School Dinners

Pabulum have written to us to say that there are some minor supply issues due to the national shortage of lorry drivers. There may be times that the menu has to be adapted slightly as a result but they are committed to maintaining high standards.

### Lost Property

Every year we have a number of items in our lost property box that would love to get back to their owners except they don't have a label.

Please rewrite labels after each wash or, better still, sew in ones are amazing.

### Outdoor Learning

Please ensure your child has OLD clothes to wear as they will be out in all weather. The children will get muddy at times.

### PE and Sport...

Mr. Birch loves teaching his PE lessons. This term football has been the theme. Next term he will be teaching tag rugby. He endeavours to get the children into the fresh air whenever he can.

You might like to add jogging bottoms to your child's kit when the weather gets colder.

**INSET Days...Friday 22<sup>nd</sup> October and Monday 1<sup>st</sup> November. The children will not be in school on these days.**
